

BUSINESS LITIGATION

SettlePou's Litigation Section represents both plaintiffs and defendants in litigation between businesses, within businesses over corporate governance, and relative to partnership disputes. Our team handles litigation that potentially involves every cause of action in contract, tort, and statutory law. SettlePou's wide range of litigation experience includes:

- * Class action defense
- * Contract disputes
- * Defamation issues
- * Fraud issues
- * Product liability Issues
- * Hostile tender offers
- * Injunction suits
- * Partnership litigation
- * Shareholder litigation
- * Tortious interference claims

SettlePou's litigators utilize the experience of all our firm's attorneys when appropriate to effectively address the specific substantive claims in each lawsuit.
